MANY STUDENTS AND CADRES STUDYING IN USSR -- Tientsin, Ta Kung Pao, 7 Nov 53

To increase the number of basic construction personnel, China has been sending a large number of students to the USSR to study. At present, there are over 1,000 Chinese students studying in the USSR according to a speech given by Wu Yu-chang, vice-chairman of the Sino-Soviet Friendship Association on the 36th Anniversary of the October Revolution.

Tientsin, Ta Kung Pao, 30 Nov 53

The First Ministry of Machine Industry sent cadres and workers from plants in the Northeast to the USSR to study industrial management and production techniques. This group includes plant leaders, technicians, engineering and technical personnel, administrative personnel, and shop management personnel. They are divided into roller and ball bearings, motorized equipment, machinery, and tools groups.

TEACHER TRAINING COURSES -- Peiping, K'uang-ming Jih-pao, 7 Jul 53

The following courses are being offered to middle school teachers during the summer session of all higher schools: Chinese, Russian, history, mathematics, physics, chemistry, biology, geography, physical education, arts, and mechanical drawing. Courses are also being offered senior middle school teachers in music and leisure time activities and junior middle school teachers in music and art.

Peiping, K'uang-ming Jih-pao, 7 Jul 53

Summer session program of the teachers' college in Peiping offers training for school and pre-school grades, and Chinese, Russian, history, mathematics, physics, chemistry, biology, geography, and art courses.

STUDENT SUBSIDY -- Peiping, K'uang-ming Jih-pao, 7 Jul 53

Since late 1952, each student in the regular curriculum of the teacher training program for higher schools has received a monthly government subsidy of 140,000 yuan. Each student in the special curriculum of the teacher training program for higher schools has received a government subsidy of 160,000 yuan and cadres assigned temporarily averaged 320,000 yuan monthly.

CADRES STUDY ELECTION LAW AND DIALECTICS -- Shanghai, Chieh-fang Jih-pao, 10 Jul 53

Over 50,000 cadres from Shanghai had completed studies on the election law by mid-June. They are now said to know the deceptions practiced under the old regime and to be able to recognize the true democratic spirit of people's elections.
